

PHOTO PERMISSION INFORMATION

Welcome to Ashford Child Enrichment Center! This notice is to inform you that ACEC takes photos of the children interacting in the classroom and on the playground. In addition to offering these photos to parents, we will occasionally publish them on, including but not limited to, our websites (ACECPreschool.org and AshfordUMC.org), social media platforms (Facebook & Instagram), or in ACEC/Church publications. Permission is required to publish photos of minor children. Please indicate your preference on the Photo Permission Form. Similarly, if a parent objects to any photo that has been posted, simply email Debbie Norris at Communications@AshfordUMC.org or call 281-497-1146 and it will be removed.
